PREFACE

Himachal Pradesh, "Crime Review-2024" is the 16th issue being published by State Crime Records Bureau, CID, Himachal Pradesh. Efforts have been made to collect, present and analyze the crime data in such a way so as to make available maximum details by way of statistical tables, graphs, charts and brief interpretation wherever possible on the pattern of "Crime in India-2024".

The job of data interpretation of crime is increasingly becoming an important tool to forecast future trends for effective law enforcement and, therefore, mere presentation of statistics does not serve the purpose anymore. It is our objective to collect accurate, meaningful and relevant statistics which would contribute towards formulation of focused Crime Control Policies in the State.

The Officers and the staff of State Crime Records Bureau, H.P. deserve all the credit for the preparation of this issue of the Crime Review. I am sure their effort will go a long way in providing meaningful information to the police officers and all the other stakeholders.

I shall look forward to any suggestions/feedback at scrb-hp@nic.in.

CHAPTER-4

CRIMES AGAINST WOMEN

हिमाचल प्रदेश पुलिस

CHAPTER-4

CRIMES AGAINST WOMEN

4.1 General:

Crimes which are directed specifically against women are characterized as Crimes against Women. They may be broadly classified under the following two categories:-

1. Crimes against Women identified under the Indian Penal Code (IPC/BNS)

- (i) Murder (Sec. 302, 303 IPC)
- (ii). Dowry Deaths (Sec. 304B IPC)
- (iii) Abetment to Commit Suicide (Sec.306 IPC)
- (iv) Cruelty to Women (Sec. 498A IPC)
- (v) Kidnapping & Abduction (Sec. 363, 366 IPC)
- (vi) Rape
- (vii) Attempt to Commit Rape
- (viii) Assault on Woman with intend to outrage her modesty (Sec.354 IPC)
- (ix) Insult to the modesty of Women (Sec. 509 IPC)

2. Crimes against Women Identified under the Special and Local Laws (SLL)

Although all laws are not gender specific, the provisions of laws

affecting women significantly have been reviewed periodically and amendments carried out to keep pace with the emerging requirements. Some Acts which have special provisions to safeguard women and their interests are:-

- (i) Immoral Traffic (Prevention) Act, 1956
- (ii) Dowry Prohibition Act, 1961
- (iii) The Child Marriage Restraint Act, 1929
- (iv) Protection of Women from Domestic Violence Act, 2005
- (v) Commission of Sati (Prevention) Act, 1987

Crimes against Women are being closely monitored in the State. Several measures have been undertaken to tackle this social menace. Special attention is being paid towards prevention of crimes against women by increased police vigil and by harnessing the community resources.

Crime against women witnessed an increase during the year 2024 in comparison to the previous year. During the year 2024, 1605 cases of crime against women have been registered in the state. As compared to

the 10 years state average, this increase is due to the fact that in past the women usually hesitated to report incidents which took place with them and there have also been certain changes of law. But now on account of increased awareness and change in social values, ethos and social reassurances being provided by the society, free registration of cases, opening of Women Police Stations and Suvidha Yojna started by the HP Police Department, women are more often coming forward to report the offences taking place against them.

The HP Police Department has initiated many steps in the recent years to ensure better police response. Women Police Stations have been opened in all districts except Kinnaur and Lahaul & Spiti to monitor quick disposal of cases of crime against women. A Women Crime Unit has been constituted at the State CID Hdqrs. 06 Anti Human Trafficking Units (AHTU's) have also been

established in Shimla, Kangra, Sirmaur, Kullu, Solan & Chamba. No particular area is prone to crime against women in the State. No special organized gang is operative in the State to commit crime against women.

PERSONS ARRESTED UNDER (SLL) CRIMES -2024

CHAPTER-7

CRIME AGAINST WEAKER SECTIONS OF SOCIETY (SC/ST)

हिमाचल प्रदेश पुलिस

CHAPTER-7

CRIME AGAINST WEAKER SECTIONS OF SOCIETY (SC/ST)

7.1 General:

A complete harmony among different sections of society is prevailing in the State. No particular area of the State is notorious for the commission of offences against the SCs/STs. However, sporadic incidents of violence against the members of these communities do take place.

India is a welfare State. It is committed to the welfare and development of its people in general and of vulnerable sections in particular. Equality of status and opportunity to all citizens of the country are guaranteed by the constitution of India, which also provides that no individual shall be discriminated against on grounds of religion, caste or sex. Fundamental Rights and specific provisions, namely, Articles 38, 39 and 46 in the constitution of India stand testimony to the commitment of the State towards its people. The strategy of the State is to secure distributive justice and allocation of resources to

support programmes for social, economic and educational advancement of the weaker section in general and those of Scheduled Castes and Scheduled Tribes in particular.

7.2 Constitutional Rights:

The Indian Constitution vide Article 15 lays down that no citizen shall on grounds of religion, race, sex or place of birth be subjected to any disability or restriction. It also guarantees that every citizen shall have equality of status and opportunity.

7.3. Legal Rights:

To uphold the constitutional mandate and to safeguard the interests of this section of the society, special social enactments have come into force from time to time, including privileges by way of reservations.

Following are two of the major legal enactments sponsored by Centre:

- (i) Protection of Civil Rights Act, 1955; and
- (ii) SC/ST (Prevention of Atrocities) Act, 1989

The Protection of Civil Rights Act, 1955 was enacted in furtherance of Article 17 of the Constitution by which untouchability was abolished and its practice in any form is forbidden. Further, in order to check and deter crimes against SC/STs by persons belonging to other communities, the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 was brought into force from 30th January, 1990. These enactments have extended the positive discrimination in favour of SCs and STs to the field of criminal law in as much as they prescribe penalties that are more stringent than for corresponding offences under the Indian Penal Code (IPC) and other laws.

In addition, in pursuance of the Constitution 65th Amendment Act, 1990, the National Commission for SCs and STs was

constituted w.e.f 12th March, 1992 with wide functions and powers of Civil Courts to take up matters which are of vital importance for socio-economic development of SCs and STs.

7.4 The Crimes against weaker sections identified under the Indian Penal Code (IPC) and Special & Local Laws (SLL):

- (i) Murder
- (ii) Rape
- (iii) Kidnapping & Abduction
- (iv) Dacoity
- (v) Robbery
- (vi) Arson
- (vii) Hurt
- (viii) Others (Other classified IPC crimes)

7.4.1 Under Special & Local Laws (SLL):

- (i) Protection of Civil Rights Act:1955
- (ii) The SC/STs (Prevention of Atrocities) Act, 1989.

The crimes under IPC such as 'Murder', 'Hurt', 'Rape etc. or under Special Acts such as PCR Act & SC/ST (P) Act are already included in overall crimes reported under IPC and SLL respectively and have been

discussed in details in the preceding chapters. The data specific to crimes against SC/ST discussed in the following paragraphs is a part and parcel of total crimes but analyzed separately for better comprehension.

Population:

As per 2011 census of Himachal Pradesh, the Scheduled Castes constituted 25.19% of the total population in the State, while Scheduled Tribes constituted only 5.7%. District Kangra with the highest population share (22.03%) also represented the highest share of Scheduled Castes (21.15%), followed by Mandi (17%) and Shimla with (12.47%).

7.5 Incidents of Crimes against Weaker Section (SC/ST):

The incidents of these crimes (IPC+SLL) were reported to be 248 cases in the State during 2024. Head wise details of crime against weaker sections for the last 3 years, including percentage change over the previous years, is presented in **Table 7.1**. **Chart 7.1** depicts the head wise position of the crime incidents. The

district wise and head wise incidents including the rate of crime has been calculated and presented in **Table 7.2**.

CHAPTER-8

SUICIDAL DEATHS

CHAPTER-8

SUICIDAL DEATHS

8.1 General:

According to the Oxford dictionary, 'suicide' means 'the act of killing oneself intentionally'. The word 'suicide' has its origin in the Latin word 'sui' (of oneself) plus 'caedere' [kill]. It is a step which is generally taken by one in an emotionally or mentally weak moment, when he or she feels that coping with life is impossible.

The number of suicides reported in Himachal Pradesh during 2024 was 813, as against 818 during 2023, indicating a decrease of 0.08%.

Kangra district recorded the highest number of suicides during

2024 (137), followed by Mandi (96), Shimla (83), Una (78), Baddi (78), Hamirpur (70), Solan (66), Bilaspur (63), Sirmour (48), Nurpur (33), Kullu (32), Chamba (27), Kinnaur (11) and Lahaul-Spiti (0). Suicides during the period 2015-2024 are presented in **Chart 8.1**

Year-wise break-up of suicides during 2024 is presented in **Table 8.1**. Comparative suicidal deaths for the last 10 years (2015-2024) including male and female is presented in **Chart 8.1**. **Chart 8.2** depicts the district wise incidence of suicidal deaths during 2024.

The decrease has been witnessed in Kangra (148 to 137), Mandi (125 to 96) and Hamirpur (70 to 61). However, Una (58 to 78), Baddi (55 to 78) & Kullu (23 to 32) have been

increased in rest of the districts of the State.

Total	547	100.00	271	100.00	564	100.00	249	100.00

The analysis shows that the age profile of most of the suicide victims both men and women falls into two age-groups of 18-30 and 30-45 years. Thus, it can be said that most people who commit suicide do so in the prime of their lives between 18 to 45 years of age (68.70% in 2023 and 68.75% in 2024). This fact can be further co-related to the reasons for suicide i.e. 'family problems' and 'illness'.

and **housewives** in case of females (18.94%). This fact can again be correlated to the age profile falling within 18-45 years.

However, the maximum number have committed suicide by **hanging** (50.48% in 2023 and 53.87% in 2024). This is followed by **consuming poison** (47.79% in 2023 and 43.91% in 2024).

CHART-8.9

8.11. Conclusions:

- i) There has been a decrease in the suicide cases committed by men during the year 2024 as against the year 2023.
- ii) Kangra, Mandi, Shimla, Baddi, Una, Solan & Bilaspur reported more suicidal deaths as compared to the other 07 districts of the State.
- iii) The major cause of suicides remained 'family problems', followed by 'illness'. 'Unemployment' is certainly not one of the major causes of suicides as it contributes less than 13.28% of total suicide cases.
- iv) Most of the women suicide victims were house-wives. The farmers/agriculturists do not form a major group of suicide victims as this group contributes only 0.00% to the total suicide cases.
- v) The majority of the suicide victims were married and in the age group of 18 to 45 years.
- vi) The most common means for committing suicide in the year 2024 was 'hanging' followed by taking 'poison'.

The hacking can evolve into other substantive violations, for example, alteration of accounts, drawl of money etc. by cyber intrusion into a bank.

Computer becomes a tool for Cybercrime when it becomes a convenient method to commit

crimes affecting large scale networks and programmes such as introducing virus into large scale reservation or financial network or unauthorized obtaining classified information from data stored in defense and security computers.

- (vi) Unauthorized interception
- (vii) Unauthorized reproduction of a protected computer programmes.

- (viii) Unauthorized reproduction of a topography
- (ix) Alteration of computer data or computer programmes
- (x) Computer espionage
- (xi) Unauthorized use of a computer
- (xii) Unauthorized use of a protected Computer programmes.

DETECTION UNDER NARCOTIC DRUGS & PSYCHOTROPIC SUBSTANCES (ND&PS) ACT

CHAPTER-11

DETECTION UNDER NARCOTIC DRUGS & PSYCHOTROPIC SUBSTANCES (ND&PS) ACT

11.1 Drug Menace in Himachal Pradesh:-

The State of Himachal Pradesh is well known for its natural beauty and is one of the most popular tourist destinations in the world. Unfortunately, this beautiful State has also come to be known for illicit cultivation of cannabis and opium poppy. Illicit drugs produced in the State attract drug traffickers. Generally, the youth seem to be the target of this drug menace and its abuse. Drug abuse and the drug menace is the illicit, non-medical use of limited number of substances. Most of such drugs have the properties of altering the mental state of a being in ways that are considered by social norms and defined by statute to be inappropriate, undesirable, harmful threatening to the life of the user and to the society at large. Heroin, Cocaine, Opium, Charas, are some of the drugs abused.

In Himachal Pradesh, there are 17495 villages out of which in 402 villages of the following five Districts cannabis grows naturally. Analysis reveals that these five districts of the State have been identified by the drug traffickers for cultivation and transporting of Cannabis:

NAME OF DISTT.	NUMBER OF PANCHAYATS	NUMBER OF VILLAGES
KULLU	50	227
MANDI	11	136
SHIMLA	35	52
KINNAUR	29	44
CHAMBA	119	631
KANGRA	9	20

Narcotic Drugs:

The term 'narcotic' originally referred medically to any psychoactive compound with numbing or paralyzing properties. In large doses, such drugs can cause stupor (condition of insensibility), coma or convulsion. These would include:

- (i) Cannabis preparations like Bhang, Ganja and Charas.
- (ii) Opium and Opium alkaloids like morphine.
- (iii) Coca alkaloids like Cocaine.
- (iv) Synthetic narcotic drugs like Pethidine.

11.2 Psychotropic Drugs:

The Greek word Psycho means "Soul" and "Trope" means 'Turning', and drug having peculiar affinity for or effect on mind (Mind altering). The psychotropic drugs include:

- 1) Hallucinogens: There are both natural and synthetic Drugs like LSD (Lysergic acid Diethylamide) and tetrahydrocannabinols.

- 2) **Hypnotics:** Secobarbitone, Phenobarbitone.
- 3) **Stimulants:** These drugs induce and excitement in the body like amphetamines cocaine.
- 4) **Tranquillizers:** Methaqualone, Mandrax, etc.

11.3 Depressants: Under this class would fall drugs which are pain killers, analgesics, sedatives, like barbiturates and opiates.

11.4 Important (ND&PS) Drugs:

- Opium
- Morphine
- Codeine
- Heroin
- Cocaine
- Cannabis
- Ganja
- Hashish
- Marijuana
- Synthetic Drugs
- LSD etc.

11.5 Drugs Menace & Seizures:
