PREFACE

Himachal Pradesh, "Crime Review-2025" is the 17th issue being published by State Crime Records Bureau, CID, Himachal Pradesh. Efforts have been made to collect, present and analyze the crime data in such a way so as to make available maximum details by way of statistical tables, graphs, charts and brief interpretation wherever possible on the pattern of "Crime in India-2025".

The job of data interpretation of crime is increasingly becoming an important tool to forecast future trends for effective law enforcement and, therefore, mere presentation of statistics does not serve the purpose anymore. It is our objective to collect accurate, meaningful and relevant statistics which would contribute towards formulation of focused Crime Control Policies in the State.

The Officers and the staff of State Crime Records Bureau, H.P. deserve all the credit for the preparation of this issue of the Crime Review. I am sure their effort will go a long way in providing meaningful information to the police officers and all the other stakeholders.

I shall look forward to any suggestions/feedback at scrb-hp@nic.in.

CRIMES AGAINST WOMEN

CHAPTER-4

CRIMES AGAINST WOMEN

4.1 General:

Crimes which are directed specifically against women are characterized as Crimes against Women. They may be broadly classified under the following two categories:-

1. Crimes against Women identified under the Indian Penal Code (IPC/BNS)

S. No.	Crime Head	IPC Section	Corresponding BNS Section
1.	Murder	302 IPC	103 BNS
2.	Dowry Deaths	304B IPC	80 BNS
3.	Abetment to Commit Suicide	306 IPC	108 BNS
4.	Cruelty to Women by Husband/Relatives	498A IPC	85 BNS
5.	Kidnapping	363 IPC	137(2) BNS
6.	Kidnapping/Abduction of Woman to Compel Marriage	366 IPC	87 BNS
7.	Rape	376 IPC	64 BNS
8.	Attempt to Commit Rape	376 r/w 511 IPC	62 r/w 64 BNS
9.	Assault/Criminal Force to Woman with Intent to Outrage Her Modesty	354 IPC	74 BNS
10.	Insult to the Modesty of Woman	509 IPC	79 BNS

2. Crimes against Women Identified under the Special and Local Laws (SLL)

Although all laws are not gender specific, the provisions of laws affecting women significantly have been reviewed periodically and amendments carried out to keep pace

with the emerging requirements. Some Acts which have special provisions to safeguard women and their interests are:-

- (i) Immoral Traffic (Prevention) Act, 1956
- (ii) Dowry Prohibition Act, 1961
- (iii) The Child Marriage Restraint Act, 1929
- (iv) Protection of Women from Domestic Violence Act, 2005
- (v) Commission of Sati (Prevention) Act, 1987

Crimes against Women are being closely monitored in the State. Several measures have been undertaken to tackle this social menace. Special attention is being paid towards prevention of crimes against women by increased police vigil and by harnessing the community resources.

Crime against women witnessed an increase during the year 2025 in comparison to the previous year. During the year 2025, 1768 cases of crime against women have been registered in the State. As compared to the 10 years State average, this increase is due to the fact that in past the women usually hesitated to report incidents which took place with them and there have also been certain changes of law. But now on account of increased awareness and change in social values, ethos and social reassurances being provided by the society, free registration of cases, opening of Women Police Stations and Suvidha Yojna started by the HP Police

Department, women are more often coming forward to report the offences taking place against them.

The HP Police Department has initiated many steps in the recent years to ensure better police response. Women Police Stations have been opened in all districts except Kinnaur, Dehra, Nurpur and Lahaul & Spiti to monitor quick disposal of cases of crime against women.

A Women Crime Unit has been constituted at the State CID Hdqrs. 12 Anti Human Trafficking Units have also been established. No particular area is prone to crime against women in the State. No special organized gang is operative in the State to commit crime against women.

4.2 Incidents of Crime against Women:

(Increase of 10.2%)

Head wise incidents of reported Crimes against Women during 2025 are presented in Table 4.1.

The cases of assault on women with intent to outrage modesty and cruelty to women together constitute the largest chunk of crime against women (22.62%). There were also a number of instances (21.27%) of rape and (25.85%) Kidnapping and Abduction of women and girls.

The district wise incidents and rate of crimes against women during 2025 are presented in Table 4.2, Chart 4.3 and Chart 4.4.

CHAPTER-7

CRIME AGAINST WEAKER SECTIONS OF SOCIETY (SC/ST)

7.1 General:

A complete harmony among different sections of society is prevailing in the State. No particular area of the State is notorious for the commission of offences against the SCs/STs. However, sporadic incidents of violence against the members of these communities do take place.

India is a welfare State. It is committed to the welfare and development of its people in general and of vulnerable sections in particular. Equality of status and opportunity to all citizens of the country are guaranteed by the constitution of India, which also provides that no individual shall be discriminated against on grounds of religion, caste or sex. Fundamental Rights and specific provisions, namely, Articles 38, 39 and 46 in the constitution of India stand testimony to the commitment of the State towards its people. The strategy of the State is to secure distributive justice and allocation of resources to

support programs for social, economic and educational advancement of the weaker section in general and those of Scheduled Castes and Scheduled Tribes in particular.

7.2 Constitutional Rights:

The Indian Constitution vide Article 15 lays down that no citizen shall on grounds of religion, race, sex or place of birth be subjected to any disability or restriction. It also guarantees that every citizen shall have equality of status and opportunity.

7.3. Legal Rights:

To uphold the constitutional mandate and to safeguard the interests of this section of the society, special social enactments have come into force from time to time, including privileges by way of reservations.

Following are two of the major legal enactments sponsored by Centre:

- (i) Protection of Civil Rights Act, 1955; and
- (ii) SC/ST (Prevention of Atrocities) Act, 1989

The Protection of Civil Rights Act, 1955 was enacted in furtherance of Article 17 of the Constitution by which untouchability was abolished and its practice in any form is forbidden. Further, in order to check and deter crimes against SC/STs by persons belonging to other communities, the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 was brought into force from 30th January, 1990. These enactments have extended the positive discrimination in favour of SCs and STs to the field of criminal law in as much as they prescribe penalties that are more stringent than for corresponding offences under the Indian Penal Code (IPC) and other laws.

In addition, in pursuance of the Constitution 65th Amendment Act, 1990, the National Commission for SCs and STs was constituted w.e.f 12th March, 1992 with wide functions and powers of Civil Courts to take up matters which are of vital importance

for socio-economic development of SCs and STs.

The crimes under IPC such as 'Murder', 'Hurt', 'Rape etc. or under Special Acts such as PCR Act & SC/ST (P) Act are already included in overall crimes reported under IPC and SLL respectively and have been discussed in details in the preceding chapters. The data specific to crimes against SC/ST discussed in the following paragraphs is a part and

parcel of total crimes but analyzed separately for better comprehension.

As per 2011 census of Himachal Pradesh, the Scheduled Castes constituted 25.19% of the total population in the State, while Scheduled Tribes constituted only 5.7%. District Kangra with the highest population share (22.03%) also represented the highest share of Scheduled Castes (21.15%), followed by Mandi (17%) and Shimla with (12.47%).

SUICIDAL DEATHS

CHAPTER-8

SUICIDAL DEATHS

8.1 General:

According to the Oxford dictionary, 'suicide' means 'the act of killing oneself intentionally'. The word 'suicide' has its origin in the Latin word 'sui' (of oneself) plus 'caedere' [kill]. It is a step which is generally taken by one in an emotionally or mentally weak moment, when he or she feels that coping with life is impossible.

The number of suicides reported in Himachal Pradesh during 2025 was 703, as against 813 during 2024, indicating a decrease of 13.53%.

Mandi district recorded the highest number of suicides during

2025 (89), followed by Kangra (87), Shimla (84), Una (80), Baddi (61), Sirmaur (58), Solan (52), Hamirpur (51), Bilaspur (33), Kullu (31), Nurpur (28), Chamba (24), Kinnaur (13), Dehra (11) and Lahaul & Spiti (1). Suicides during the period 2016–2025 are presented in Chart 8.1.

Year-wise break-up of suicides during 2025 is presented in Table 8.1. Comparative suicidal deaths for the last 10 years (2016-2025) including male and female is presented in Chart 8.1. Chart 8.2 depicts the district wise incidence of suicidal deaths during 2025.

8.6 Age Profile of Suicide

Victims: The following table gives the details of age groups

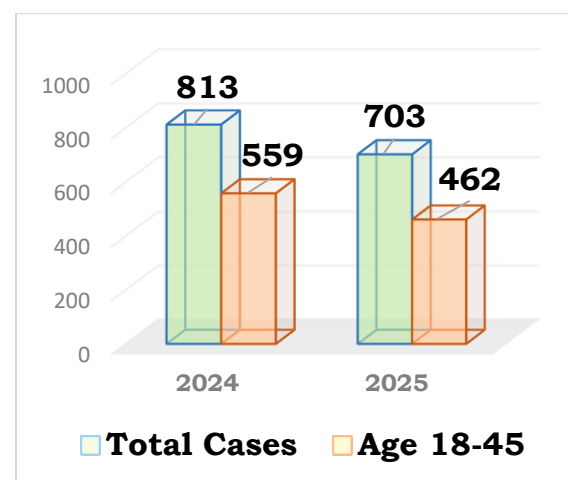

of the suicide victims for the year 2024 and 2025:-

Age Group	2024				2025			
	Male	% against Total Males	Female	% against Total Females	Male	% against Total Males	Female	% against Total Females

Total	564	100.00	249	100.00	487	100.00	216	100.00

The analysis shows that the age profile of most of the suicide victims both men and women falls into two age-groups of 18-30 and 30-45 years. Thus, it can be said that most people who commit suicide do so in the prime of their lives between 18 to 45 years of age (68.75% in 2024 and 65.71% in 2025). This fact can be further co-related to the reasons for suicide i.e. 'family problems' and 'illness'.

8.6.1 Suicides Among Minors (Below 18 Years) – Cause-wise Analysis

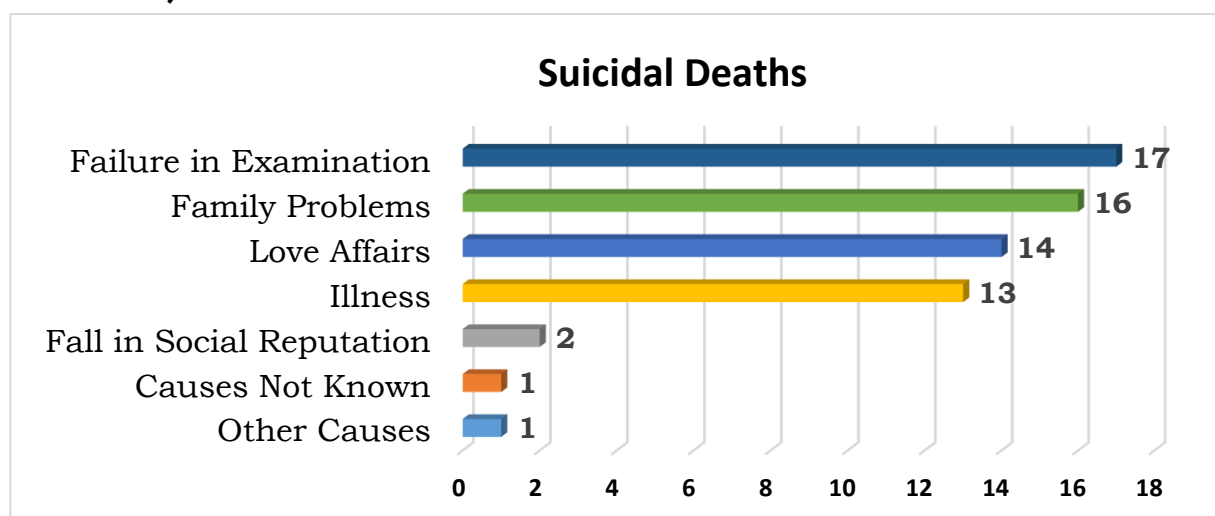

The cause-wise analysis of suicides among minors (below 18 years) in 2025 reveals that 64 minor victims were recorded, comprising 26 males and 38 females. Failure in Examination was the leading reported cause, accounting for 17 cases (26.56%), followed by Family Problems with 16 cases (25.00%),

and **housewives** in case of females (20.48%) against total in 2025. This fact can again be co-related to the age profile falling within 18-45 years.

CHAPTER-11

DETECTION UNDER NARCOTIC DRUGS & PSYCHOTROPIC SUBSTANCES (ND&PS) ACT

11.1 Drug Menace in Himachal Pradesh:-

The State of Himachal Pradesh is well known for its natural beauty and is one of the most popular tourist destinations in the world. Unfortunately, this beautiful State has also come to be known for illicit cultivation of cannabis and opium poppy. Illicit drugs produced in the State attract drug traffickers. Generally, the youth seem to be the target of this drug menace and its abuse. Drug abuse and the drug menace is the illicit, non-medical use of limited number of substances. Most of such drugs have the properties of altering the mental state of a being in ways that are considered by social norms and defined by statute to be inappropriate, undesirable, harmful threatening to the life of the user and to the society at large. Heroin, Cocaine, Opium, Charas, are some of the drugs abused.

In Himachal Pradesh, there are 17495 villages out of which in 402

villages of the following five Districts cannabis grows naturally. Analysis reveals that these five districts of the State have been identified by the drug traffickers for cultivation and transporting of Cannabis:
